Is there anything in your medical history you feel could affect your ability to exercise?

Are you taking any medication? Give details:

Is there anything about your pregnancy or birth you feel is relevant to the participation in an exercise programme?

What concerns you most about pregnancy, birth or the postnatal period?

What are your goals or reasons for participating in exercise?

FOR POSTNATAL ONLY

Type of delivery?

Did you have an episiotomy?

Are you breastfeeding?

How much sleep are you getting?

Are you getting up at night?

Are you doing other exercise/what?

I, acknowledge and confirm that I have had the all clear by my GP to commence suitable postnatal exercise. I am aware that I must feel well prior to each class and will notify you (the trainer) should I feel unwell at any time during the class.

Whilst I am aware that every effort has been taken to ensure this exercise class is suitable for postnatal women. I understand that my participation and the safety of both my child/children and myself are my responsibility. I shall inform my Buggyfit instructor of any medical or post-natal related changes prior to commencing each training session and that neither the instructor or Buggyfit will be liable in any way for any unforeseen circumstances nor for any circumstances of which I should have been aware but failed to notify them.

Please be aware we do not advocate running with a buggy at Buggyfit.

Social media is a great promotional platform for us- We may take informal photos or video at class to help with our promotion, but we respect your wishes so please delete appropriately.

I am happy for you to use pictures of me yes no and of my Baby & children yes no
